

Occupational Health and Safety Policy

This document acknowledges Omega Environmental's Health and Safety Policy and gives effect to this within the business.

Omega Environmental Ltd

- Recognises and fully accepts its statutory and moral responsibilities to provide the highest standard of health and safety protection for its employees & clients throughout Ireland and those who may be affected by any activity conducted by Omega Environmental Ltd.
- actively promotes the achievement of good health and safety standards equally, in line with all other business objectives;
- Is committed to the development and continued maintenance of a positive health and safety culture.

In order to meet these aims, Omega Environmental Ltd is committed to:

- placing the management of occupational health and safety as a primary responsibility at all levels of staff;
- ensuring that this policy is communicated, understood, implemented and maintained at all levels within the business;
- providing means of communication to all employees to ensure maximum consultation takes place enabling the business to gain commitment through "ownership";
- providing adequate and appropriate resources to implement this policy;
- ensuring that employees at all levels receive appropriate training and are competent to carry out their duties;
- achieving a high level of performance through the risk reduction approach and the adoption of sound procedures;
- providing a safe working environment, plant, tools, relevant equipment and PPE;
- minimising or eliminating the risk from any harmful substances encountered during business activities;
- reducing accidents/incidents and ill health arising from normal working duties
- ensuring that all contractors are vetted in line with business procedures;
- carrying out periodic review of the occupational health and safety management system as well as undertaking audits to demonstrate compliance with the policy to secure progressive improvements;
- Reviewing this policy annually.

We remind employees that they are personally responsible for;

- their own health and safety and that of others who may be affected by their work activities;
- To adhere to safe working practices and cooperate fully with their managers on any matters relating to health and safety.

Michael Walsh
Director
